

A vibrant movie poster for 'Thomas & Friends: A World of Friendship for Your Little Engineer'. The background is a night sky filled with colorful fireworks in shades of blue, green, yellow, and red. In the foreground, three anthropomorphic steam locomotives are shown. Thomas the Tank Engine, a blue engine with a white face and a black bow tie, is the central figure, smiling broadly. To his left is a smaller white engine with a black face and a black bow tie, also smiling. To the right is a green engine with a white face and a black bow tie, looking towards the camera. They are all on a red track. In the background, there are colorful balloons and a small structure. The title 'THOMAS & FRIENDS' is at the top in a white cloud-like shape. At the bottom, the subtitle 'A WORLD OF FRIENDSHIP FOR YOUR LITTLE ENGINEER' is written in a bold, white, sans-serif font. A yellow circular logo is in the bottom right corner.

MEET THE STEAM

THOMAS

Thomas is the No. 1 blue engine. He is a cheeky little engine who works hard to be a Really Useful Engine.

PERCY

Percy is the No. 6 green engine. He is good natured and content puffing around the yard helping other engines.

GORDON

Gordon is the No. 4 blue engine who pulls the Express. As the senior member of the engine family, he is the fastest and most powerful on the Steam Team. He's good-hearted and always willing to forgive.

HENRY

Henry is the No. 3 green engine. He is a long and fast engine and has a thoroughbred look. He'll give any engine a run for its money.

TEAM

JAMES

James is the No. 5 red engine. He is a medium-sized engine with a fine scarlet coat and brass dome and thinks of himself as a Really Splendid Engine.

EMILY

Emily is a beautiful emerald green engine with shiny paintwork and gleaming brass fittings. She can be a little bossy but is always ready to help a friend.

EDWARD

Edward, the No. 2 blue engine, is one of the older and wiser engines on the Island of Sodor. Edward is a good friend to everyone and helps restore order.

TOBY

Toby is the No. 7 brown tram engine. He's square – old-fashioned both in looks and nature. Toby's always happy to work and is usually found on the Quarry line with his faithful coach, Henrietta.
